

# FLORA, FAUNA, PHENOMENA

*Grace Amantea*

---

Grace Amantea was selected as the winner of the 2022 *Broad Street Scientific* Photo Contest. Her award included the opportunity to have some of her photographs featured in the 2022 volume of the *Broad Street Scientific*. Grace's photographs are shown below.

---

## **An Elk-cellent View**

This piece features a cow (female elk) and her calf in their natural habitat--the grassy fields of Great Smoky Mountains National Park, where they feed--in Cataloochee, North Carolina.

## **Little Things**

This piece features moss hidden in the sunny crook of a tree branch on Mount Mitchell, encouraging all to take the time to observe and appreciate the "little things" the natural world has to offer.
